**INTERVIEW SUMMARY AND
STATEMENT OF SUBSTANCE OF INTERVIEW**

S I R:

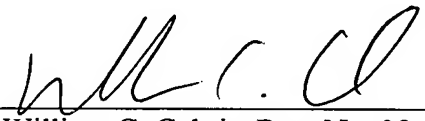

In response to the Interview Summary Form mailed on March 26, 2007, applicants respectfully submit the following interview summary and statement of substance of the interview.

INTERVIEW SUMMARY AND STATEMENT OF SUBSTANCE OF THE INTERVIEW:

A telephonic interview was conducted on March 20, 2007 with applicants' representative and attorney of record William C. Gehris, as indicated by the Examiner's Interview Summary mailed March 26, 2007. The substance of the interview was that the Examiner and applicant's representative discussed the Obendiek reference (DE 101 08 493) and its interpretation as applied to the rejection of 1/23/07 to claims 19 and 20. Applicants explained that element 28 merely translates with respect to part 5 in Obendiek. The Examiner maintained that since element 18b and 18c of the four-bar linkage are pivots, bar 28 is "pivotably connected" with respect to bar 27 and top 5. The Examiner indicated that he understood the difference however, but just wanted better claim language. No agreement was reached.

The present application is respectfully submitted as being in condition for allowance and applicants respectfully request such action.

Respectfully Submitted,
DAVIDSON, DAVIDSON & KAPPEL, LLC
